

Kenney's All-Shore Baseball Academy

Summer Training Program Guidance, Precautions and Restrictions

“If there is any hesitation in returning to play – “DON’T” – Just because you can doesn’t mean that you must.”

- ✓ It is imperative that parents speak to their children, prior to attending the program and inform them that they cannot, high five, shake hands, bump knuckles, flip hats, hit each other with gloves, play tag, etc... They must understand that the rules and guidelines of social distancing must be enforced and obeyed in order to attend any session.
- ✓ Players will be placed on teams of 10-12 players, prior to the start of the session.
- ✓ Players will train exclusively with their assigned team all week.
- ✓ Parents will receive an email with a designated area of drop-off and pick-up for each team.
- ✓ Parents should ensure all of their child’s equipment is sanitized before and after every training session.
- ✓ Parents must notify Coach Kenney immediately if their child or any family member becomes ill for any reason and they should not attend camp.
- ✓ Each participant will be assigned an individual “station” to place their equipment bag, water, etc. Make sure participants have enough water for the ENTIRE session. We will **NOT** be providing water nor any area for refills.
- ✓ Players must have their own equipment. No one is permitted to share any equipment. *It is imperative that parents communicate the importance of “not sharing” equipment, especially bats.* We will not provide any equipment besides baseballs.
- ✓ Hand sanitizer will be available for staff and players.
- ✓ Respect for each individual’s health choices’ is a top priority. *Participants must bring a mask each day but will not be required to wear them during activity. Players will be required to wear a mask to use the indoor bathrooms.*
- ✓ Any parent who wishes to stay for a session must remain in their car. You are not allowed to walk around or congregate on school grounds.
- ✓ All Staff will be trained on our Return to Play Protocol. In addition, only staff members will be permitted to pick up cones, discs, and training equipment.
- ✓ We have built in social distance spacing during drill work. If game play remains allowed as of July 6, we will incorporate modified games, during the Skills Development program, following any new guidelines that are released.

Kenney’s All-Shore Baseball Academy remains committed to the safety of all players and staff. It is imperative that everyone understand their role now more than ever as we all adhere to the guidelines put in place by our governing leaders. The intention is to provide the safest environment possible to get back on the field and enjoy the activities that bring us all the most joy.
